RELEASE OF THE PLANS FOR OUR 31ST REUNION

From the first reunion in 1980, members of the 86th FBG have been given the opportunity to participate in a bunch of memorable trips (31 after Milwaukee) around this country. Lots of thanks go to the many hosts involved in setting the stage at each location and exposing us to the uniqueness of each city chosen for our entertainment.

The steadfast motivators (Board of Directors) of all this activity have kept us focused on staying the course to preserve a legacy established 60 years ago. Moving in the direction of more participation by the children/grandchildren of our veterans, we have been successful two years in a row: Reunion Hosts Rick and Peggy Fitzpatrick last year in Houston, and Debbie and Randy Rose this year in Milwaukee.

The point of all these words is to encourage more attendance of descendants/relatives at Reunion 31. It has the makings of an eye-opener into a world of events stored in the minds of our veterans.

At the end of this newsletter, you will find the ARF (Activities Reservation Form) for the Milwaukee reunion. On the backside of the ARF, Debbie provided an excellent description of the two tours set up for Friday and Saturday. It is worth noticing that the costs are extremely reasonable.

Please take note of the deadline set for mailing your ARF to Debbie —**August 14**. It is important for planning purposes. If possible before mailing the ARF, it is good to make a copy of the ARF to keep for your reference.

We as veterans of WWII are organized to perpetuate the history of our fight to retain our American freedoms, to meet once a year for a reunion with the purpose of maintaining close ties with the Association and our comrades, and to encourage the heirs of our veterans to join with us in a united effort to hold on to our legacy.

POTPOURRI

✂ In April, I received the following e-mail:

"Mr. Howard. My name is Doug Patteson, and I am one of the historians of the 324th FG. I would be interested in learning about how your organization has structured itself, and just as importantly, what you guys are doing to pass it on to the next generation. We are beginning to grapple with some of those questions and are hoping to learn from others. Thanks and I look forward to hearing back from you. /s/ Doug Patteson."

I, of course, gave him the requested information, but the interesting point to this is that other WW II associations are seeking ways to preserve themselves through second (and third) generation memberships.

✂ A mid-May e-mail from Sharon Hodges (shodges782@verizon.net) reads:

"My father, Bruce H. Fuller, was the Section Chief, Operations for the 525th Squadron. I am trying to find out exactly what duties he would have performed. Is there anyone who can help me with this? Thank you so much. /s/ Sharon Hodges"

NOTE: If anyone can help, please copy the Secretary on your message to her.

✂ Another mid-May message from Matt Postlewaite (digbum77@yahoo.com) states that he is the grandson of Lt. Leonard D. Milton (527 Pilot) and is writing a biography of his grandfather's life. Through family, many archives and websites (including that of the 86th FBG) he has located much useful information and photos. He is asking anyone in the Association who knew Lt. Milton if they remember anything about his service, i.e. stories, jokes, nicknames, favorite planes flown, etc. to add to the biography.

Please copy the Secretary if you communicate with Matt.

ATTENTION: Please advise the Secretary of any information you might have on the location and/or status (living/deceased) on these veterans:

BARR, Charles A. (527),
BOVA, Joseph Jr. (527),
BURCHETT, Stanley (525),
ERICKSON, Nils G. (526),
FLAKE, Barrett (525),
HAMERLEY, Bobbie (527),
HERZIK, John E. (526),
KNIGHT, Mildred (James E. 525),
MAULDEN, Clurin H. (GHQ),
MEYERS, Barbara (Arthur Snow 527),
SCHULTZ, Christena (Albert F. 527),
SMITH, Ellon B. (Willard A. 525),
SUNLEY, Ellen (John J. 525),
WHEAT, M.D., Myron (527),
YORK, Peggy (William E. 527).

✂ After almost 30 years of searching, we have reduced the number of comrades on our *Not Located* list to three:

Richard T. BRUNDIN (526 Pilot)
Clarence E. HASELRUDE (525 Medic)
J.T. THOMPSON (525 Aircraft Mechanic).

If anyone has any information on them, including Army Serial Number (ASN), please advise the Secretary.

Just a thought

The only difference between try and triumph is a little
"umph."

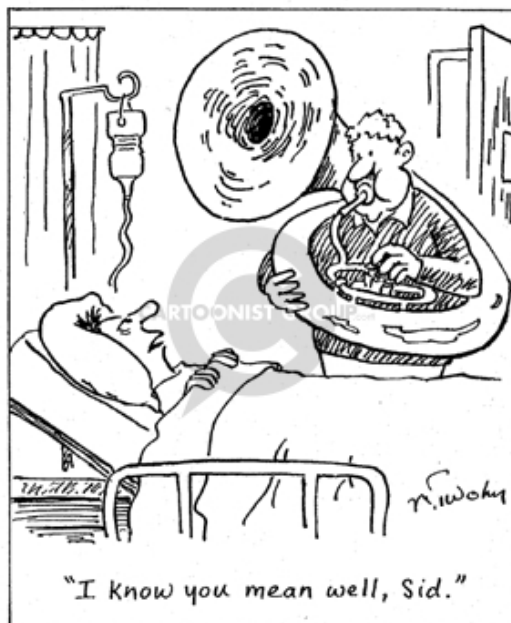

If you cut too many corners, you'll be going in circles.

SICK CALL**ROSTER MAINTENANCE**

PYTEL, Stan (526 Pilot) – A late May e-mail from wife Corky reports that he fell onto hard pavement while returning a shopping cart to a supermarket. After hospitalization he was transferred to a facility for physical therapy and will require lots more of it before coming home. *"He isn't able to handle a telephone, but is in pretty good spirits and making progress with his arms and legs."* A subsequent message advises that Stan improves by the day; with assistance, he was able to transfer from bed to wheelchair and, momentarily, stand on his feet.

TEEPLE, Bob (527 Pilot-POW) – Daughter Bunny Sheffield, also in late May, advises that Teep is holding his own, most days happily doing home routines. *"As of last week, he is going for lunch or supper with Tobi who had hip replacement surgery and is at the rehab center again for a few weeks. We have Milwaukee on the calendar and keep it in our discussions. Hoping to see you then. /s/ Bunny"*

Tours for WWII 86th Fighter-Bomber Group Reunion Milwaukee

Guided by KBC TOUR COMPANY

Friday, September 17 – 9 am - 3 pm

Milwaukee City Tour – “Gathering Place by the Water”

This tour will give you a great overview of the city, showcasing the origin of its name – “gathering place by the waters.” We’ll take a drive along the Lake Michigan shoreline with the beautiful parks and the magnificent lakefront homes. Stopping at the War Memorial, we’ll get a great view of the Milwaukee Art Museum’s “wings” (opening at 10 am) representing a bird in flight over the lake. Then we’ll explore downtown and a variety of neighborhoods including Old World Third Street where we’ll have a “genuine Milwaukee” lunch of bratwurst and beer (or root beer). The afternoon will be spent relaxing aboard the Edelweiss (website: <http://www.edelweissboats.com> - Historic Milwaukee Sightseeing) as we sail through the city on the Milwaukee River and out on Lake Michigan enjoying unique views of the city and its skyline.

Includes transportation, guide, lunch, and cruise. \$25.00 per person

Saturday, September 18 – 9 am - 3 pm

Milwaukee’s Best

This tour will provide you with a good sense of how Milwaukee works and plays. We’ll drive by businesses that are proud to hail from Milwaukee, such as Miller Brewing and Harley-Davidson. We’ll visit Miller Park, home of the Milwaukee Brewers, before enjoying lunch at a classic Milwaukee diner near the Marquette University campus - Miss Katie’s Diner – visited and appreciated by Presidents and the former Chancellor of Germany.

After lunch, we will continue our tour, heading to the Waukesha Airport. The Warbird Chapter of the EAA has committed to recruiting several WWII era aircraft for the our review, and we should have the opportunity for “up close and personal” inspections and photos with aircraft that may have been with the young men in that time.

We will return to the hotel for a “debriefing session” in the hospitality room.

Includes transportation, guide, and lunch. \$18.00 per person

Saturday Night Banquet Dinner to be held on site at the Best Western

In 1944, Bing Crosby crooned:

“Cathedral bells were calling and our hearts sang on;
Was it the spell of Paris or the April dawn?
Who knows if we shall meet again,
But when the morning chimes ring sweet again,
I'll be seeing you in all the old familiar places...and when the night is new,
I'll be looking at the moon, But I'll be seeing you.”

We look forward to seeing you, and the wonderful connection all the veterans and their family members share, and to creating new memories together in Milwaukee.
